OBJECTIVE

A computer science student with honors in AI, motivated and driven by a strong interest in web development, cyber security, and intelligent systems, possessing a solid foundation in core computer science principles and programming. Passionate about applying my technical knowledge to real world challenges, to build secure, scalable, and user centric software solutions.

EDUCATIONAL QUALIFICATION

B.E. Computer Science and Engineering R.M.K. Engineering College, Chennai	2023–2027 CGPA: 8.31
Higher Secondary (MPC) MGM Junior College, Srikalahasti	2021–2023 97.4%
Class 10 Sri Chaithanya EM High School , Srikalahasti	2021 98.3%

SKILLS

Programming Languages: Python, MySQL, Java

Web Technologies: HTML5, CSS3

Tools & Technologies: Git, GitHub

PROJECTS

Learnavia – Role-Based Learning Platform | *React, Node.js, SQLite, JWT* [GitHub]

- Built a MERN platform with JWT auth & role-based access, automating activity tracking & report generation, reducing verification time by 80%.
- Deployed React dashboards with Chart.js, Cloudinary on Vercel for gamified activities.

RoadNBrick – B2B Marketplace | *React, Node.js, MongoDB* [GitHub]

- Developed a full-stack B2B construction materials marketplace with role-based Contractor/Supplier dashboards and enabled material discovery and inventory management.
- Designed an end-to-end Request-For-Quotation (RFQ) workflow for 2 user types, reducing manual coordination by 40%.

PROFESSIONAL EXPERIENCE

Full Stack Web Development Intern June 2025 – July 2025

Plant Green Inertia Pvt. Ltd

- Engineered a responsive e-commerce web application using HTML5, CSS3, and JavaScript, implementing client-side cart and session management to achieve data persistence while reducing server load.

Data Structures and Algorithms Intern July 2024 – October 2024

Skolar Edutech Pvt. Ltd

- Developed interactive algorithm visualizations for sorting and searching algorithms, optimizing implementations with efficient data structures to reduce average time complexity by 30%.

CERTIFICATIONS

NVIDIA: Certified Associate – Generative AI and LLMs

BOARD INFINITY: Data Science for Beginners

Cisco Networking Academy: Cybersecurity Essentials

AWS: Getting Started with Data Analytics

Oracle: Generative AI Professional

EC-Council: Ethical Hacking Essentials

Fortinet : Associate in Cybersecurity

EXTRA CURRICULAR ACTIVITIES

Hobbies: Dancing, Listening To Music

Languages: Telugu (Native), English (Professional), Hindi (Professional), Tamil (Beginner)
